

Community Lives Consortium Tenants Lives Group

Information leaflet – Making a Will

Explanatory note

<p>The leaflet ‘Making a Will’ has been produced by Community Lives Consortium service users with support from their tenant participation officer and from Rowan Associates, housing consultants.</p>	
<p>The leaflet came about because Consortium service users wanted to develop an easy to understand information leaflet which explained how people with learning disabilities can make their own wills.</p>	
<p>The leaflet was developed in a series of meetings with service users over several months, where they provided their ideas and commented on drafts.</p>	
<p>The final leaflet was checked by Consortium’s solicitor to ensure that it complies with the Mental Capacity Act.</p>
