

## Green News Flash!

Since August 2009 The Consortium has recycled 426.82kg of paper – that is the weight of a female elephant!

In the months to come we will continue to recycle as much as possible and if you have any ideas about ways to recycle then let us know!

Don't forget you can still bring in your batteries for recycling at the office.

**Earth Day - 22<sup>nd</sup> April 2011**

Earth Day has been running since 1970, so this is its 41<sup>st</sup> year! If you have heard of Earth Day before then you will know that it is a perfect opportunity to pledge another green act and if you haven't heard of it before then it's a fantastic time to start!

Pledge an Act of Green! Here are some ideas:

- 1 Take your own shopping bags
- 2 Walk to the shop – leave the car at home!
- 3 Car Share
- 4 Buy Local
- 5 Talk to others about green ideas
- 6 Recycle
- 7 Turn lights off when you are not in a room

There are lots and lots of ways to save energy and reduce your impact on our planet, if you want to learn more why not visit [www.earthday.org](http://www.earthday.org) and pledge your own green act.
