# HEOL Y NANT DAY OUT

Recently Heol Y Nant went out for a day trip to Folly Farm! As you can see from the pictures fun was had by all!

We got to see loads of different animals!!

Ian Rees said “we all had a great time and we are planning another trip out as a scheme again soon.”

Avril Hughes said “We should visit this place as a network, there is loads of things to see and do!”

If you have been on any trips,  
holidays, days out (absolutely  
anything in fact), and want to  
get your story into the  
magazine then please send  
them over to Dean. Thanks!
