Time to Meet is organised by people with learning disabilities, and their friends, families and staff in Swansea and Neath Port Talbot.

It is there to help members to build stronger social lives with people around them by sharing, skills interests and time.

This booklet will come out each month to tell people about all the events, activities and groups organised by Time to Meet members in Neath Port Talbot and Swansea.

Members of Time to Meet can also use their skills to put hours of 'Time In' to the project by helping with the running and planning of activities. These can then be used as 'Time Out' credits to attend and enjoy other events in the community.

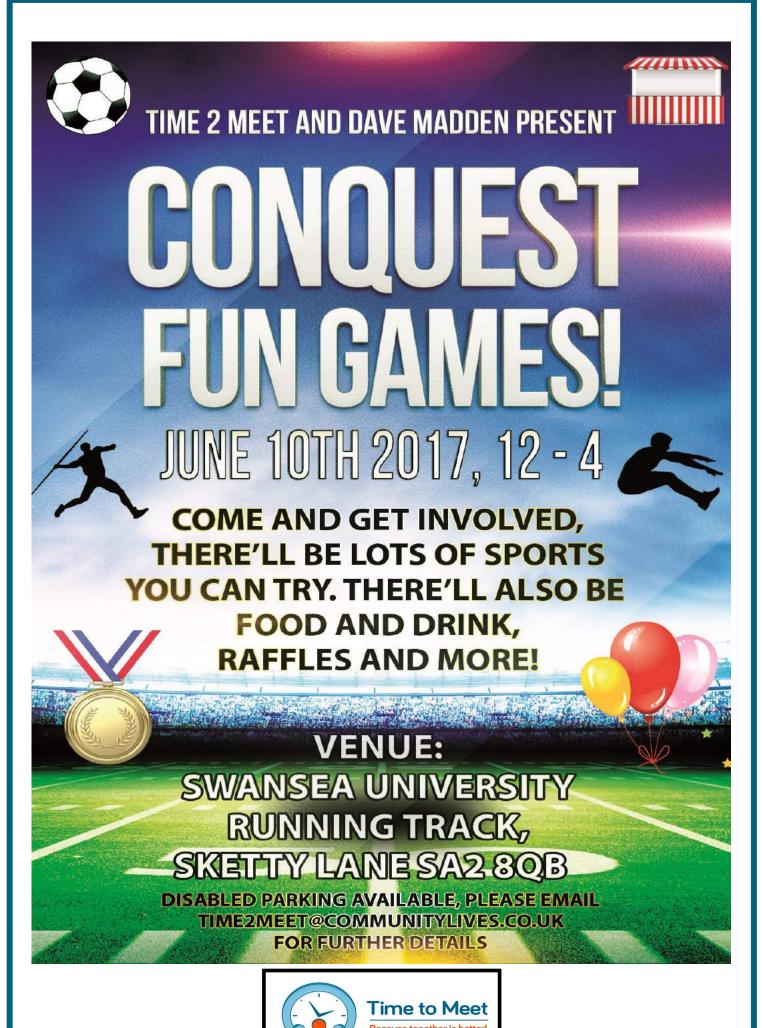

Where you pictures like these you can use Time Credits instead of money to attend. Get involved!

#### About the partner

Cinema S Co are an extremely unique, independently managed establishment. We deliver a cinematic setting to watch movies as well as possessing a fully licenced bar on site. The cinema consists of homemade seats made from recycled wooden pallets which are cushioned with sheets and pillows. The homemade seating combined with low-toned lighting provides the perfect atmosphere.

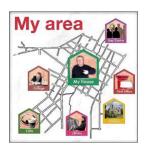

There is an extended range of movies on show, from classics like Back to the Future and Stand by Me to modern masterpieces like The Dark Knight. Cinema S Co is the place to go if you're looking for a quirky, relaxed movie night. Also pop along to the kids club on a Sunday.

In addition to providing an alternate setting for movie lovers, we also organise niche events alongside our screenings.

Moving To Our New Home

Last Week I had a stressful day moving house from Baptist wells to Manselton with my staff and William. We had lots of help from staff and removal men and a van to move lots of our stuff in their truck. Everyone that day worked really hard and it all went to plan. I really have settled in my new home and feel very pleased that we now have a lovely garden that we can enjoy. We are still getting the house sorted and are buying lovely new things. This is a fresh start for us all at LLys Y felin and just wanted to thank everyone for helping us make the move. One thing i am very happy about is i am now living closer to the Liberty Stadium as i love going to watch Swansea City ©

Craig Roberts & William Jones ③ (Network 7)

**Tales from** 

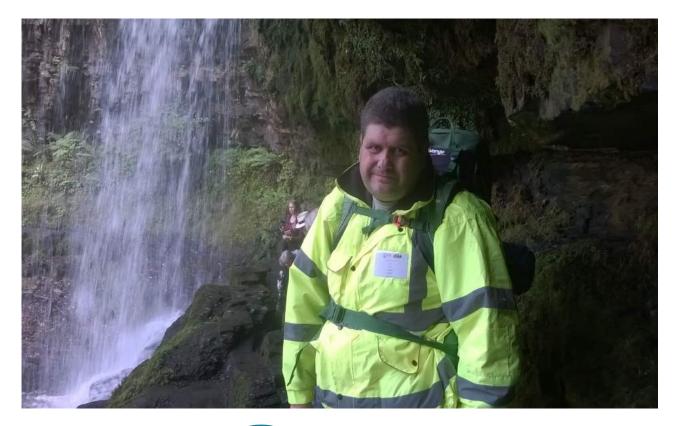

David took Allen up to see the filming of <u>Stella - TV Series</u> recently. Ruth Jones spotted Allen and insisted on a photo. Allen, being the good sport he is, was more than happy to oblige! He had a great day, so thanks to all concerned
